E-mail: mdlimonali0011@gmail.com

Portfolio: mdlimonali.com

PROFESSIONAL SUMMARY

Motivated **Web Developer** focused on building **Shopify stores**, **WordPress/WooCommerce** websites, **responsive** business sites, and custom front-end experiences. Hands-on with **HTML**, **CSS**, **JavaScript**, **Shopify Liquid**, **WordPress**, **WooCommerce**, **Elementor**, and **Git/GitHub**. Comfortable translating designs and business requirements into responsive, practical websites with attention to **usability** and **e-commerce functionality**.

EXPERIENCE

Junior Web Developer | Ecodecraft | Sep 2026 – Present

CORE SKILLS

Frontend	HTML5 • CSS3 • JavaScript • Responsive Web Design
CMS / E-commerce	WordPress • WooCommerce • Shopify • Shopify Liquid • Elementor
Development	Custom sections • Theme customization • Forms • Product layouts • Checkout/cart UI
Tools	Git • GitHub • Canva • AI-assisted development

SELECTED PROJECTS

Vira Skincare Shopify Store	Shopify e-commerce storefront focused on product presentation, responsive layouts, navigation, and a polished shopping experience.
Home Cleaning Service Website	Responsive service-business website designed to present services clearly, support lead generation, and work smoothly across devices.
Parfume Store — WordPress	WordPress e-commerce store focused on product presentation, WooCommerce functionality, responsive sections, cart/checkout experience, and practical store management.

CAREER FOCUS

Market-relevant skills: **Shopify**, **WordPress/WooCommerce**, **responsive web development**, **JavaScript**, and **e-commerce implementation** are practical skills used across online stores and business websites. The resume emphasizes these areas because they align with common website-development and e-commerce work rather than claiming a guaranteed hiring outcome.
